Dear reader,  
my humblest apologies for hav-  
ing so irresponsibly reneged  
on my duties as a chronicler  
of the more mundane events  
occurring at the Center. In the  
future, I will endeavor to up-  
hold the lofty standards of my  
comrades and cohorts at said  
institution. Besides i was  
having my apartment furbished  
again.

Please use the underlined  
words three times in a sentence  
and they will be yours.

P.S. Whoever replaced my copy  
of the Secretary Speller with  
Tropic of Cancer please return  
as the latter book is distract-  
ing. owf

OUT OF IT?

Are you missing all the action and fun enjoyed by your friends because of annoying missed calls? Do you sit home at night because nobody told you about the party? Do you get on the phone and not know whom (to) you are talking because of mangled messages? If so, don't despair. We have the answer. Call Message Central. With our Economy Service, we take your message on a ripped legal sheet of paper (pencil only). With our Ambassador Service, you get baby-blue paper and Sertoma Club ball-point at no extra charge. For you men-about town, our Presidential Extra Special Super Neat Fantastic Plan includes re-typed (some use of CorrectoType) messages on psychedelic writing paper (sheer). Call today for a free estimate and plan to suit your every need.

DIG IT

Mack Ryan says does ralph hock  
still have all those naked  
pitchers of his wife et al  
hanging all over? And I says  
only privately these days.  
Then he says what's it all for  
? An I says to play with and  
create with. An he says:  
CREATE????????????????????????????????  
HAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHA  
End of quote. Thanks to all.  
The Lovely Mel.

Where is everybody?  
Ken
